Project Title: Centers for Disease Control Public Health Emergency Preparedness Cooperative Agreement

Project Description:

The Office of Public Health is soliciting public comment and feedback for possible incorporation into the grant application and grant activities and on the Centers for Disease Control Public Health Emergency Preparedness Cooperative Agreement guidance. The purpose of the CDC PHEP funding is to improve and increase capabilities for all hazards emergency preparedness and response including but not limited to an anthrax attack, pandemic influenza, hurricanes, flooding, etc.

The DHH OPH Center for Community Preparedness (CCP) provided public health expertise and resources to its partners and the community during emergency response efforts through the use of the CDC PHEP grant funding. The DHH OPH CCP manages the funds received through the CDC PHEP Cooperative Agreement to implement several emergency preparedness programs that increase response capabilities and service the entire population of Louisiana such as Louisiana Volunteers in Action, Strategic National Stockpile/Cities Readiness, CHEMPACK, and Public Health Information Network. The CCP provides its services in accordance with the National response Framework for local, state and national partners using National Incident Command System compliance standards for emergency response operations.

The public is encouraged to respond to this notice. Continuous feedback is welcome.
